

Dear Parents:

We are so happy you have chosen Forest Park Pre-K for your child. We have two wonderful Pre-K classes here at Forest Park: Mrs. Corry & Mrs. Rana's class and Mrs. Walter & Mrs. Shawntell's class. Please know that your sweet babies will be loved and cared for as if they were our own.

Whitney Corry has been in education for 19 years. She and her husband Nic have two children, Will (10) and Mary Alice (5), both of which attend Forest Park. Mrs. Rana has been a paraprofessional in Pre-K for 7 years. She and her husband Adam and they have two children, Layth (16) and Lana (15).

Amy Walter has been teaching Pre-K for 11 years here at Forest Park. She and her husband Phillip have an 12 year old son, Ian and two big fur babies. Mrs. Shawntell has been a paraprofessional in Pre-K for 23 years. She and her husband have two children, Kevin and Kierstyn (7). Kierstyn is a student here at Forest Park.

Feel free to contact us anytime with any questions or concerns you may have. We look forward to getting to know you and your little one!

Sincerely,

Whitney Corry & Amy Walter
