LITTLE ROCK SCHOOL DISTRICT READY FOR LEARNING PLAN

*IN RESPONSE TO COVID-19
FOR THE
2020-2021 SCHOOL YEAR*

Quarterly Update

October 2020

LITTLE ROCK SCHOOL DISTRICT'S READY FOR LEARNING QUARTERLY UPDATE

EXECUTIVE SUMMARY

The Little Rock School District strives to ensure equitable access to effective, innovative educational programming, resources and supports for all students and staff members; engagement of all stakeholders in the educational environment; and achievement for all students at all grade levels. The Little Rock School District's Ready for Learning Plan was developed with ongoing input from parents, students, teachers, administrators and district level staff. Our goal is that this Quarterly report provides an informative outlook on the District's academic and safety measures that the District has established. We will continue to seek your engagement on how we can better serve , support, and perform for all stakeholders.

- The guidelines referenced in this plan are based on guidance from the Arkansas Department of Elementary and Secondary Education (DESE) and Arkansas Department of Health (ADH).
- The District has made regular updates to this plan as new guidance has been received by the Arkansas Department of Health and the Division of Elementary and Secondary Education.
- Arkansas Center for Health Improvement has recently provided school district-level [COVID-19 data](#). The data on this website are provided to help inform local decision makers, including policymakers, school personnel and parents, about the impact of COVID-19 in their communities.
- The District strives to ensure transparency at all times, at all levels; therefore, this report provides a quarterly update of the District's resources, supports, and processes that have been provided. The District is proud of the accomplishments that have been made during this unprecedented time and will continue to assess the areas of need and provide interventions and supports to the identified areas of need.

Educator Support

Starting July 20th n July 28 and 29, 150 Schoology Ambassadors, selected from all District schools to support site-based training and support, participated in a 3-hour virtual professional development session with a Schoology Consultant. Ambassadors then begun planning professional development to deliver on August to staff members. staff members were challenged to complete the self-paced Schoology course by August 11; the response was well received.

On August 12, each campus completed six hours of Schoology professional development which was facilitated by the building Schoology Ambassadors. During the month of July, LRSD began Tech Tuesday, various one-hour technology sessions were offered during the month throughout the workday and afternoon.

Session topics included the following:

- | | | |
|---------------------|------------------------------|---|
| Basic Google Slides | Google Drive and Basic Docs | Basic Forms and Sheets Intermediate |
| Google Slides | AR Digital Sandbox | Advanced AR Digital Sandbox' |
| NearPod | Pear Deck | Microsoft Teams |
