 Note Parkview – Continue as virtual through 10/2 – Return on 10/5

**Statement from Little Rock School District
 September 25, 2020**

The Arkansas Department of Health and the Little Rock School District (LRSD) have utilized this week to further investigate positive COVID-19 and close contact cases at Little Rock Southwest and Parkview

3001 S. Pulaski St. - Little Rock, Arkansas 72206 - 501-447-2075

high schools. To ensure the health and safety of our students and staff, LRSD believes the most responsible approach for next week is to continue virtual instruction at both sites through October 2nd, with the in-person learning option resuming on October 5th. The number of positive cases and high number of students and staff required to be quarantined at those campuses have led to this change in educational delivery.

Athletic practices and extracurricular events will not take place during this span of time. Both Little Rock Southwest and Parkview will be available for students who need support for their virtual learning. School buses will run their normal routes and cafeterias will be open each day. The staff members at both campuses will be expected to work on site, unless they have been previously asked to quarantine.

We will continue to work very closely with the Arkansas Department of Health and follow their guidance. LRSD wishes to thank parents, staff and community for their ongoing support.
