

**COVID POC Team**

The Little Rock School District had its most challenging day related to COVID-19 results. These high numbers reinforce the need for our entire community to continue to be disciplined and proactive in our approach to this virus.

It is critical that we all continue to wear masks, keep our social distance and practice good handwashing habits, both in our school environment and away from the District in social settings. The District will use the next couple of days to deep clean and sanitize the campuses, which have transitioned to virtual instruction.

For the 24-hour period beginning on 10/22/2020 at 3:00 PM, and ending on 10/23/2020 at 3:00 PM the COVID POC team logged 138 individuals on quarantine and 11 positive cases as listed in the chart below.
