

LITTLE ROCK
SCHOOL DISTRICT

LRSD Schoology Welcome

Dear Parents/Guardians,

Our District is very excited to announce that when school starts we will be using Schoology, an integrated learning management solution that provides course management, mobile learning, and support for system-wide communication. Schoology enables our students, parents and teachers to engage with learning materials and their school community from the classroom and beyond. We look forward to using Schoology in our classrooms this year to enhance connectivity and communication across the Little Rock School District.

With Schoology, students can digitally submit homework assignments, review grades, participate in interactive discussions, receive announcements and feedback, take tests, write academic blogs, and more. As a parent, you will be able to view your child's activity within the platform.

You and your child will be given login credentials during the first week of school to access the LRSD Schoology system. We value your participation in your child's education, and we encourage you to read Schoology's Privacy Policy & Terms of Use at <https://www.schoology.com/privacy>. Student progress and activity will be monitored by faculty to ensure a safe, secure, and controlled environment.

As we prepare to roll out parent training sessions, we invite you to join us for an exciting Facebook Live Event about Schoology on Tuesday, August 18, 2020 from 5:30 – 6:30 p.m. in English and Wednesday, August 19, 2020 from 5:30-6:30 p.m. in Spanish. Information about accessing your student's account will be sent out at a later date.

Please submit questions or feedback regarding Schoology here: www.lrsd.org/schoologytownhall. We will use this information to help respond to Frequently Asked Questions (FAQs). Thank you for your continued support.

Sincerely,

Mike Poore
Superintendent
