

Arkansas ScholarsTM

A group of five young people are posed against a solid blue background. In the back row, a young man on the left holds a large blue and white striped umbrella with his arms crossed. Next to him, a young woman holds a wooden-handled umbrella and looks upwards with a smile. On the right, another young woman holds a black and white striped umbrella and gestures with her hand while looking up. In the front row, a young man on the left holds a red umbrella and looks upwards. On the right, a young woman holds a red umbrella and smiles at the camera. The text "Be prepared!" is overlaid in the center in a yellow, stylized font.

Be prepared!

Life-Span Analysis...from an Educational Perspective

In just over 4 years, you will either
be:

- ✓ In college or some kind of technical training
- ✓ Working full or part-time
- ✓ Serving in the military
- X Unemployed

- **Nothing** has more impact on your future income than the amount of education you have.
- A good education will pay you back for the rest of your life!

So, let's talk about
your future!

- ✓ What would it be like to have a job after high school?
- ✓ What if you were paid \$11.54 per hour?
- ✓ That's \$2,000 a month!

(quite a bit more than most earn just out of high school.)

(that's about \$11.54 per hour)

(that's about \$11.54 per hour)

Budget for \$2000 monthly salary

(that's about \$11.54 per hour)

	<u>Expense</u>	<u>Amount Left</u>
Federal Income Tax	324	1676
State Income Tax	86	1590
FICA + Medicare	186	1404
Housing (rent, 1 bedroom unfurnished)	400	1004
Food	225	779
Car Payment	225	554
Insurance	100	454
Gasoline	120	334
Cell Phone	100	234
Utilities	134	100

Show Me the Money!

Average Salaries by Education Level

High School Dropout:	\$24,492
High School Graduate:	\$33,904
Associate's Degree:	\$40,820
Bachelor's Degree:	\$55,432
Master's Degree:	\$67,600
Professional Degree:	\$90,220

Note: Bureau of Labor Statistics

On average those who complete college earn almost one million dollars more than high school graduates over the course of a lifetime.

Employers Hire and Promote People Who:

- Took challenging courses in high school - not the minimum
- Speak and write well
- Have good science and math skills
- Have good critical thinking skills
- Have strong computer skills
- Work well as part of a team
- Have developed a good work ethic and a “Can Do” attitude

■ The next four years will make a difference in your future.

- No matter what kind of grades you've made in the past, you can decide now to become a good student and to do well in high school.

Arkansas Scholars is an academic program that you can handle!

- ➔ It gives you reasons to do well in school.
- ➔ It better prepares you for whatever you do after high school.

Who can be an
Arkansas Scholar?

YOU!

YOU!

YOU!

YOU!

YOU!

Arkansas Scholars begins the first
day of the 9th grade

Arkansas Scholars Criteria

What You Have to Do Grades 9 - 12:

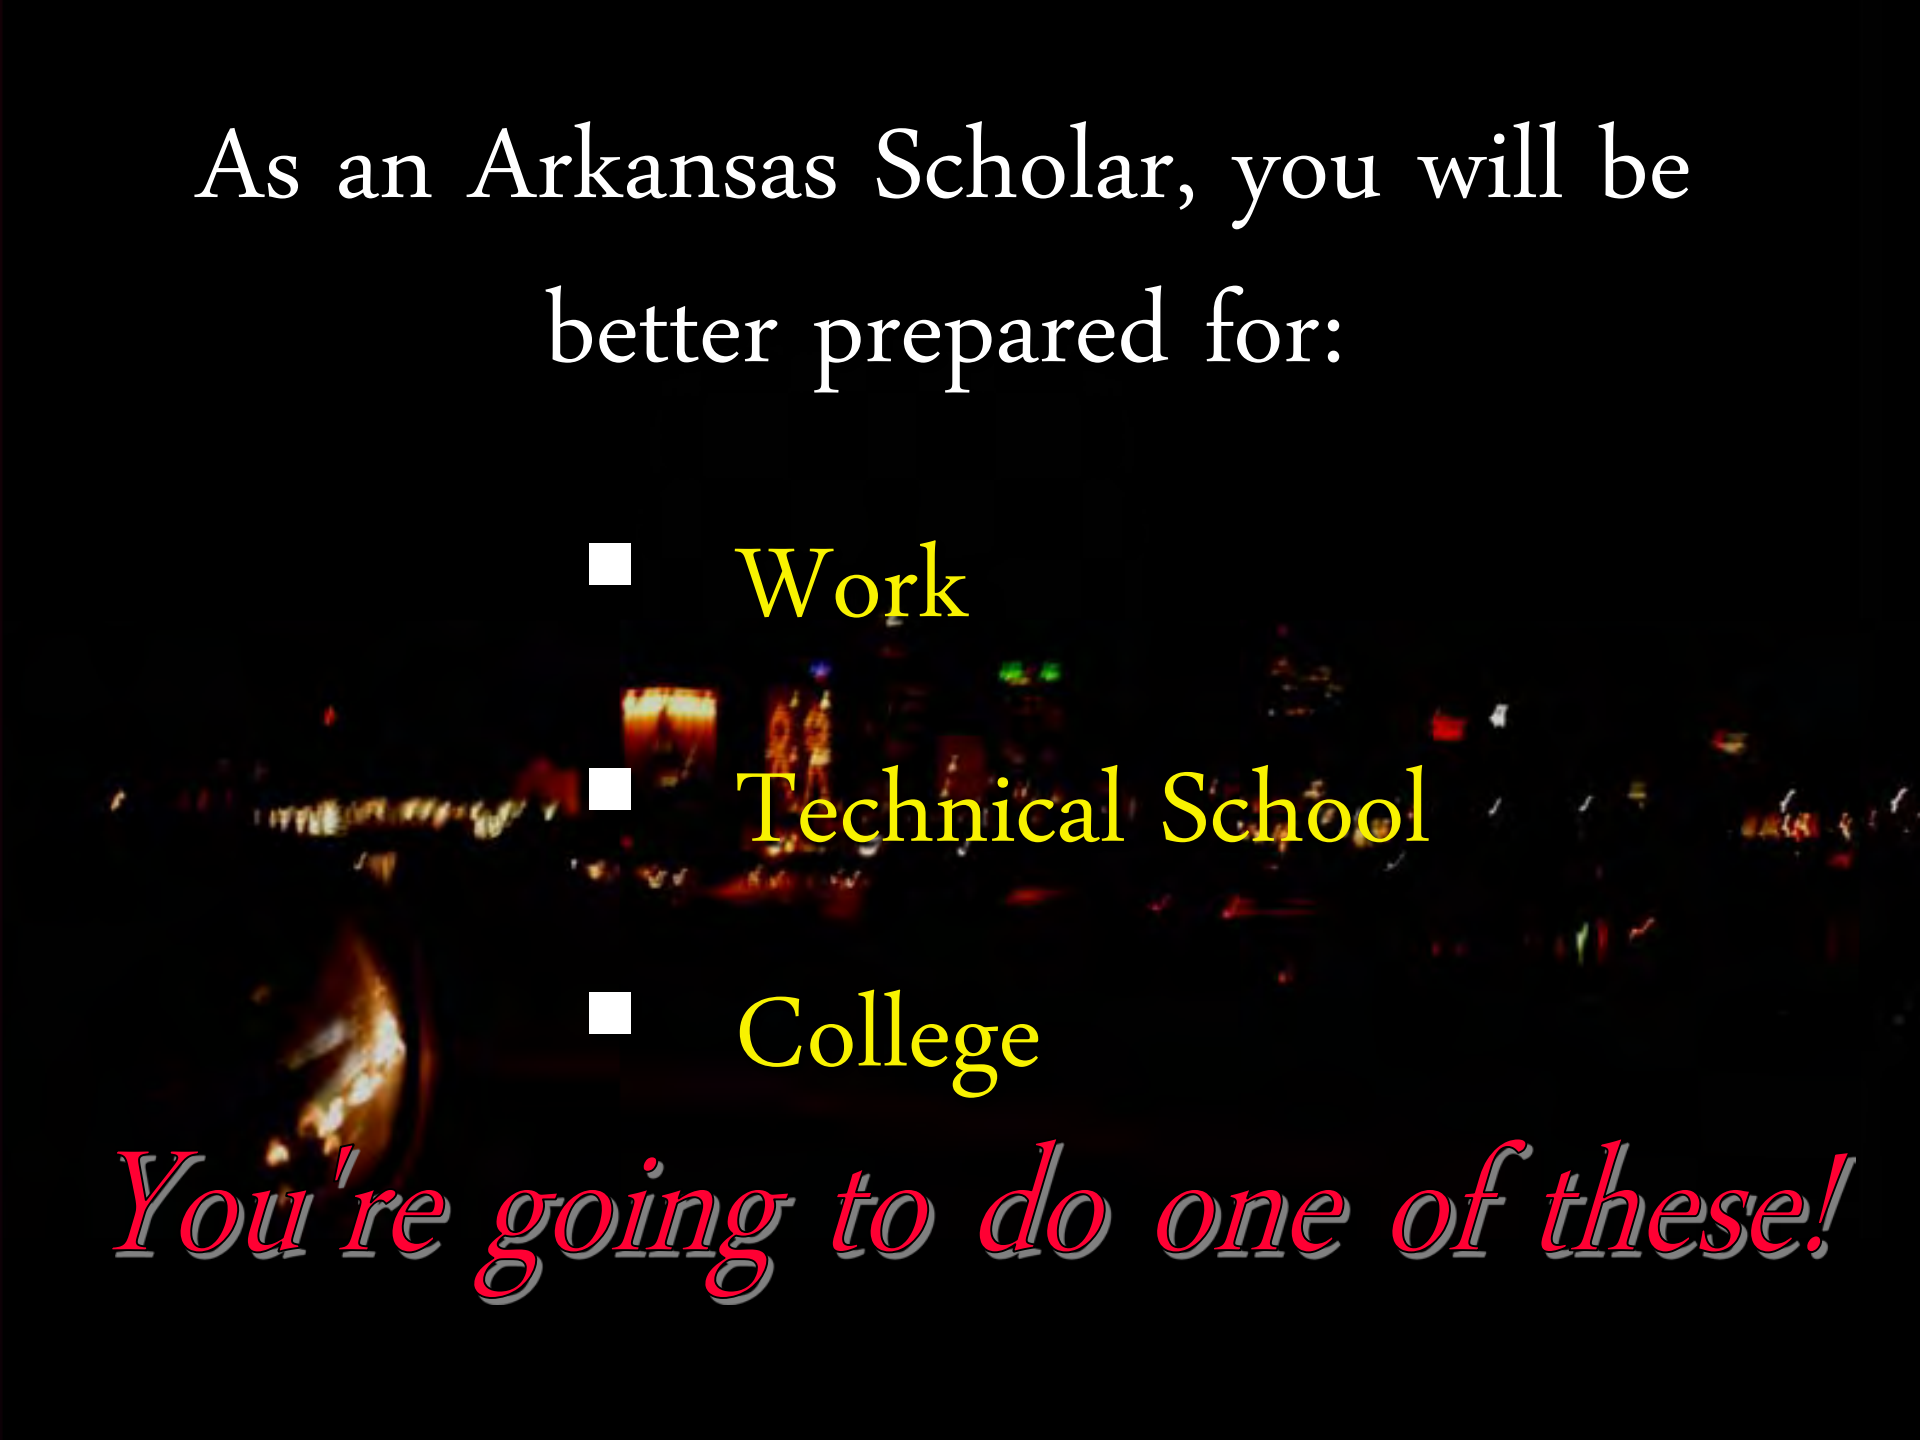

1. Take the recommended course of study for graduation.
2. Make a semester grade of “C” or better in all academic courses.
3. Attend school at least 95% of the time. This means fewer than 36 absences over 4 years of high school.
4. Complete high school in eight consecutive semesters.

What's in it for you?

What do you get as an **Arkansas Scholar**?

- More **choices** for education after high school
- More **opportunities** for good jobs
- More **money** to buy the things ***you*** want
- More **control** over ***your*** future

As an Arkansas Scholar, you will be
better prepared for:

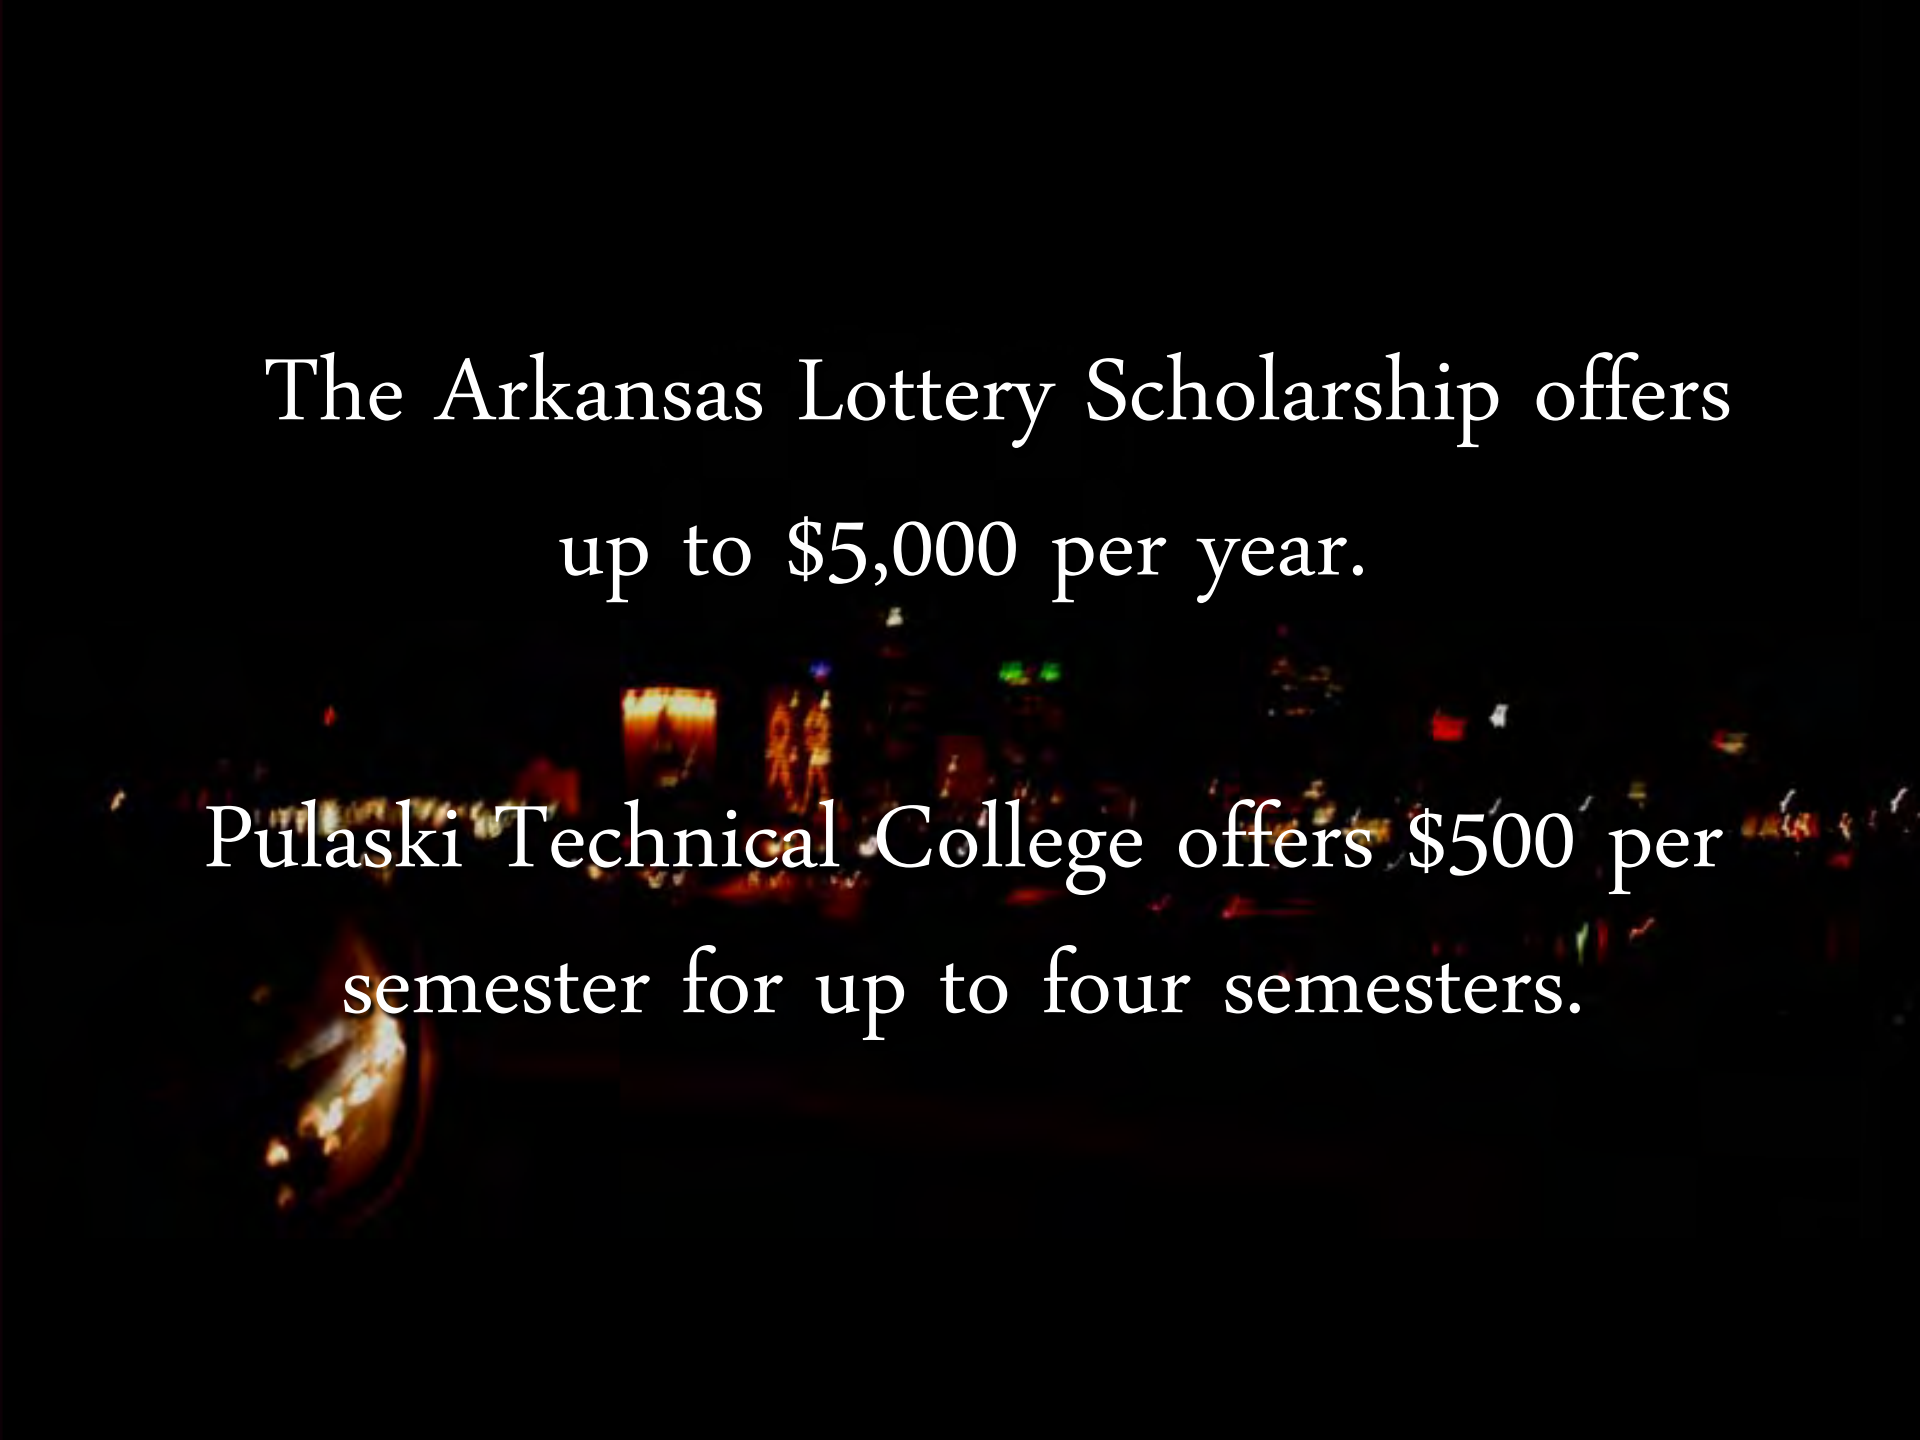

- Work
- Technical School
- College

You're going to do one of these!

As an Arkansas Scholar, you may qualify
for scholarships:

Arkansas Lottery scholarship

Pulaski Technical College scholarship

The Arkansas Lottery Scholarship offers
up to \$5,000 per year.

Pulaski Technical College offers \$500 per
semester for up to four semesters.

What Do You Do Now?

Make your time in the
classroom count.

Avoid this!

Do this and enjoy the success that life holds for you!

- Decide to graduate as an Arkansas Scholar
- Take the recommended courses
- Attend school
- Make C's or better
