

# Schoology Parent Access Code Letter

Welcome to Schoology! Your parent access code for **insert First name Last Name** is **insert Parent Code**. Below you will find instructions on how to set up your parent account in Schoology. For more in-depth guidance on specific Schoology features, check out our Help Center at [support.schoology.com](https://support.schoology.com). You can find our online Parents Guide [here](#).

## What Is Schoology?

Teachers use Schoology to post their classroom materials online; provide a safe forum for students to discuss their ideas and collaborate on projects; and to assign and collect homework electronically. It helps students stay organized and it keeps the class connected.

A Schoology Parent Account gives you access to:

- The classes your child is enrolled in.
- Your child's upcoming assignments.
- School and class announcements.

Schoology makes it easy for parents to stay involved in their children's education.

To sign up for your parent account go to [www.schoology.com](https://www.schoology.com).

1. Click Sign Up at the top of the page and choose Parent.

**2. Enter your Parent Access Code. The access code for **Insert First Name** is **insert Parent Code**.**

3. Fill out the form with your information.

4. Click Register to complete.

When you use a Parent Access Code to create an account, you are automatically associated to your child. You can add additional children to your account using the [Add Child](#) button.

- Parent Access Codes are unique to each student but can be used to make multiple parent accounts.
- If your Parent Access Code does not allow you to register or, if the code does not have 12 digits, please contact your child's instructor or school for more information.
