

2020-2021

HORACE MANN ARTS & SCIENCE MAGNET

V I R T U A L O P E N H O U S E

Horace Mann Arts and Science Magnet Middle School will provide its students with an innovative, diverse, and comprehensive curriculum that fosters academic growth and critical thinking. Mann is a destination magnet school where performance counts. As a magnet school, Horace Mann Fine Arts and Science programs offer deep content to produce students who have enriched experiences preparing them for global community. Mann offers an exemplary accelerated program that consists of Algebra 1, Spanish I and II and physical Science.

In addition to the traditional curriculum of English, Science, Math, and Social Studies, Arts magnet students participate in courses appropriate for their selected area of concentration. The following specialized areas are offered: band, choir, dance, drama, orchestra, piano, and visual arts.

Arts Students

Arts students receive group instruction in their area and have opportunities to perform publicly and to compete in local events. The sequence of arts courses is designed to accommodate the beginning student, as well as the students who have had previous training.

Science Students

Students whose area of concentration is science will receive an additional course of STEM/Science instruction. The science lab curriculum emphasizes project-based learning including problem solving and engineering design processes. "Hands on" activities support the program throughout the year.

BEARCATS IN THE SPOTLIGHT

Horace Mann students have traditionally participated in All Region Choir, All Region Band, and All Region Orchestra. Several students have won awards for Regional Science Fair, Mu Alpha Theta, Arkansas Council of Teachers in Math, Math Counts, and Math Olympiads.
