

## EXECUTIVE SUMMARY

**Topic:** Little Rock School District Plan of Support for Schools

### Short Summary:

**The LRSD District Plan of Support focuses on four overarching goals:**

- 1. Implement PLC's in all schools**
- 2. Focus on literacy instruction K-12**
- 3. Implement data based decision making systems K-12**
- 4. Improve district systems and functions**

### Background:

**Superintendent Poore desires for all stakeholders to intentionally focus on the four goals in an effort to recruit and retain students in addition to improving K-12 student achievement.**

### Evaluation:

**Ongoing measurements of effectiveness will be reviewed and used to make modifications to the plan of support as needed for maximum effectiveness.**

### Recommendation:

- Action Steps for Board of Education**
- Consider if community or staff needs to see this.**

**Present LRSD District Plan of Support to State Board**

### Action Steps to be taken:

**Implementation of the plan**  
**Quarterly report to state board**

### Strategic Plan Alignment:

**Increased student achievement**

### Key Points:

- 1. Implement PLC's in all schools**
- 2. Focus on literacy instruction K-12**
- 3. Implement data based decision making systems K-12**
- 4. Improve district systems and functions**

### Key Players:

**Mr. Mike Poore, Superintendent**  
**Mr. Marvin Burton, Deputy Superintendent of Secondary Schools**

**Dr. Sadie Mitchell, Deputy Superintendent of Elementary Schools  
Dr. Veronica Perkins, Chief Academic Officer  
District Instructional Leadership Team**

**Fiscal Impact**

**Facilities plan**

**Critical questions for Board to consider:**

**How might the four goals improve productivity and student achievement?**

**Date submitted November 27, 2018**

**Submitted by Dr. Sadie Mitchell  
Mr. Marvin Burton**
