

Pulaski Heights Middle School

Dear Parent,

The Little Rock School District has the opportunity to provide you with the ability to access your student's school information over the Internet through a website called Home Access Center (HAC). Through HAC, you can view a daily summary of your student's attendance, schedule, and classwork, along with interim progress and report card. Use the following URL to access HAC:

<http://hac20.ESP.k12.ar.us>

To register online:

1. Navigate to the school district Home Access Center page.
2. Select Click Here to Register for HAC.
3. Enter First Name, Last Name, City, and Zip.
4. Select Register.
5. An email will be sent to the email address on the Contact/Student record. Note: There must be an email address entered in eSchool for this process.
6. After receiving the email, select the Register Here link in the email.
7. Enter the Access Code and the birthdate of the student.
8. Select Sign In.
9. They will be directed to the My Account page to create their login, password, and challenge question(s).
10. Select Continue to Home Access Center to complete the process and access student information.

Additionally, Home Access Center offers another option to view your child's information. The eSchoolPlus Family App is available for parents and students. Attendance, class work, class events, activity calendar events, and student grades can be viewed through this app. There is also the ability to send an email to a teacher by tapping the teacher's name. This app uses the same login and password as used for HAC. The eSchoolPlus Family App can be downloaded from the iPhone's App Store or the Android's Google Play Store.

If you have any questions, please email tameshia.jones@lrzd.org.

Thank you
